

Gene Kanten analyse

-same organ (dick) rot

- similar organ rot

- gleiche anzahl an aufgaben cellular pink/cyan
- anzahl Biologisch prozesse grün
- generates similar nr of protein orange
- (similar nr of molecular function blau
- located same chromosome schwarz

898 – 26227 (similar organ , Geschlechts bereich) **rot**

898- 8648(fast gleiche anzahl an aufgaben cellular) **pink**

898- 2886(gleicher Ort Placenta) ok. **rot**

1789- 8648(ähnlicher Organ , Brain) ok. **Rot**

1789-7170(generates similar nr of protein) ok ROT

1789-4319(similar nr of cellular component) ok PINK cyan

1789-2886(same nr of cellular components) ok PINK

1789-2690(similar nr of molecular function) ok BLAU

1789-898(similar nr of cellulöar component) ok PINK

1789-**26227(same nr protein) ok ORANGE**

2180-8648(similar nr of biological process) ok. GRÜN

2180-7170(similar nr of cellular component) ok. PINKT

2180-5618(similar nr of protein) ok ORANGE

2180-4321(similar nr of biological process) ok GRÜN

2690-26227(similar nr of molecular function) OK BLAU

2690-10125(similar nr of protein) ok ORANGE

2690-8648(similar nr of protein) ok ORANGE

2690-5618(located same chromosome(5)) SCHWARZ

2690-2886(similar nr protein but not really(Random)) ok ORANGE

2886-26227(similar organ area) ok ROT

2886-8648(similar nr of cellular component) ok. PINK

2886-7170(similar nr of molecular function) ok. BLAU

2886-4319(similar area of organ uterus, placenta) ok. ROT

4319-10125(similar nr of molecular function) ok. BLAU

4319- 7170(similar nr of molecular function) ok BLAU

4319-4321(same organ (uterus)) ok ROT

4321-10125(similar nr of molecular components) ok BLAU

4321-7170(similar nr of molecular components) ok. BLAU

4321-5618(similar nr of aufgaben in general) ok BLAU

5618-10125(similar nr of cellular component) ok PINK

5618- 8648(similar nr of biological process) ok. GRÜN

5618-7170(similar nr of protein) ok. ORANGE

7170-8648(similar nr of cellular components). Ok. PINK

8648-26227(similar nr of cellular components) ok. PINK

8648-10125(same organ(brain cerebellum)) ok ROT

8648-4319(similar nr of biological process). Ok GRÜN

8648-2180(similar nr of cellular component) ok. PINK
